

Padded clamp protects your CPU

Available in
2 sizes

**Small
CPU-SF**
2" to 4.7" wide

**Large
CPU-FF**
4.6" to 8" wide

(Computer not included)

Highlights

- Load capacity 45 lbs. (20.4 kg)
- Simple to mount and un-mount CPU
- Accommodates many different sizes of CPUs

Multiple mounting capabilities

Designed for small form factor CPUs, these units are constructed from heavy-duty aluminum, with neoprene padding to protect the CPU as the clamp is tightened. Available in large and small models, these CPU mounts feature ICW's unique, patent-pending adjustable clamp technology.

Machined from billet aluminum, the unit is powder coated for a durable, lasting finish. Hand assembly ensures that a quality product is shipped to you.

Select a color

Specify one of our durable powder coating finishes with your order:

Gloss White (MW), Writable Black (TB), A-dec Tan (T), Pelton Putty (P), and Quartz Gray (QG)
